Dear Sir/Madam,

As you may be aware, the Consortium for Educational Communication (CEC) was established in 1993 by University Grants Commission (UGC) as one of the autonomous Inter University Centers and since its inception, the Consortium has been functioning as nodal agency to coordinate, guide & facilitate the Media Centers in educational production activities at the national level. The Consortium has been attempting to realize its mandate through 21 Media Centers which are located in different Universities/Institutions across the length & breadth of the country.

2. You may also be aware that the Consortium has also been designated as the National Coordinator for Under Graduate MOOCs courses since the year 2016 and Post Graduate MOOCs from January, 2020 session onwards for SWAYAM project of MHRD.

3. We are presently in the process of empanelment of MOOCs Coordinators, details of which can be accessed through our website www.cec.nic.in.

4. We look forward to seek the participation of the faculty of your esteemed University for contribution to the development of Under Graduate and Post Graduate courses for the fervent learners of the Nation. I am sure, you would already be keen to join the avid family of CEC's eminent and dynamic faculty, and contribute, however, little it may be, in transforming the mission digital learning to a new level.

Thanking you.

Yours sincerely,

(Jagat Bhushan Nadda)
