City Campus: BF-142, Sector -I, Salt Lake, Kolkata -700 064

Advt. No. MAKAUT/REG/JRF/WB-DST-Project/53/2022

Dated: 05/12/2022

Applications are invited from the interested candidate for the position of Junior Research Fellow position (JRF) for a WB-DST funded project entitled **“Study of tyrosine kinase inhibitors on platelet function and refining management of haematological malignancies by predicting complications.”** under MAKAUT.

Fellowship amount: Rs.25,000 per month consolidated amount for two years.

Position: one Junior Research Fellow position (JRF)

Eligibility: Candidates are expected to have M.Sc or M.Tech degree in the field of biological science. Candidates having prior experience in working with platelets and haematology will be preferred. The maximum age limit for the candidates is 28 years. However, relaxation in the age limit will be permitted based on experience and qualification.

Job description: We are looking for a JRF to help investigate TKI induced platelet activation among CML patients. He/she will be mentored by the PI but expected to work independently and will standardize necessary and basic protocol and methods related to haemostasis and platelet activation. Therefore, candidates having hands on experience in performing experiments related to haematology would be preferred.

How to apply:

Eligible candidates are requested to send their complete CV, Cover letter with academic credentials to the following e-mail address suryyani.deb@makautwb.ac.in.

Short-listed candidates will be notified through e-mails after the scrutiny.

DEADLINE FOR SUBMITTING APPLICATION IS : 31/12/2022
