NOTIFICATION

Under the Campus initiative programme of COURSERA with Maulana Abul Kalam Azad University of Technology, West Bengal, Coursera has provided 1100 free licenses for enrolling to 3788 courses covering areas under Management, Arts and Humanities and almost all areas of Science, Engineering and Technology. Out of these, about 600 licenses still remain to be utilized. Interested faculty members and students of affiliated colleges of the University are hereby invited to apply for enrolment to Coursera free courses being offered under the umbrella of the University. Kindly note that Coursera provides free enrolments to its courses up to 31st July, 2020. Selection of participants for enrolment may be done through screening as per norms to be decided by MAKAUT, in case the number of applicants exceeds the number of available licenses. The applicants are requested to submit their application through their HOD/College Authority mentioning their name, department, email, name of the Institution, semester (for students), University Roll No. (for students). The applications are to be sent to the mail id *makautonlinecourse@gmail.com* within 10 days of the publication of the notification.
