## List of courses

### B.Tech

- B.Tech. in Computer Science & Engineering
- B.Tech. in Information Technology

### Enrolment to Courses Through CET

### MBA

2. MBA in Hospital Administration
3. MBA (Business Analytics)

### M.Tech.

1. Computer Science and Engineering
2. Information Security
3. Information Technology
4. Artificial Intelligence
5. Data Science
6. Internet of Things
7. Software Engineering
8. Industrial Engineering and Management
9. Bioinformatics
10. Microelectronics and VLSI Technology
11. Materials Science and Technology

12. Renewable Energy

13. Geoinformatics

14. Biotechnology

M.Pharm in:

1. Pharmacology

2. Pharmaceutics

M.Sc.

1. Bioinformatics

2. Biotechnology

3. Food Science and Technology

4. Food Science and Nutrition

5. Forensic Science

6. Genetics

7. Materials Science

8. Microbiology

9. Molecular Biology

10. Media Science

11. IT (Artificial Intelligence)

12. IT (Cyber Security)

13. IT (Data Science)

14. Applied Mathematics

15. Applied Chemistry

18. Applied Psychology

19. Clinical Psychology
20. Computer Science

B.Sc.

1. Animation & Film Making, Graphics and VFX
2. Bioinformatics
3. Digital Health and Telemedicine
4. Biotechnology
5. Food Science and Technology
6. Forensic Science
7. Gaming and Mobile Application Development
8. IT (Artificial Intelligence)
9. IT (Cyber Security)
10. IT (Data Science)
11. Materials Science
12. Economics
13. Statistics
14. Psychology
15. Mathematics with Computer Application
16. Media Science
17. Robotics and Robotic Process Automation
18. BCA
19. BBA

20.BBA in Business Analytics

21.BBA in Hospital Management

22.BBA in Travel and Tourism Management

23.BBA in Digital Marketing

24. Multimedia Technology

Certificate Courses:

- Polyhouse Construction
- Polyhouse with IoT based Application
- Basics of Hydroponic Farming
- Hydroponic for Fruit Farming
- Heritage of Kolkata

PG Diploma Courses:

- Environmental Analytics
- Energy Analytics
- Health Analytics
- Pharmaceutical Analytics
- Precision Farming
- Capital Market & Investment
- Intellectual Property Rights and Technology Business Management
- Broadcasting Engineering
- Internet TV, Content Management and Social Media Marketing
- Heritage Management & Conservation

## B.Sc. in

1. Hospitality and Hotel Administration
2. Agricultural Biotechnology
3. Telemedicine and Digital Health
