YOGA WITH US

Yoga is a group of physical, mental, and spiritual practices or disciplines which originated in ancient India. There is a broad variety of Yoga schools, practices, and goals in Hinduism, Buddhism, and Jainism. Among the most well-known types of yoga are Hatha yoga and Raja yoga.

Many studies have tried to determine the effectiveness of yoga as a complementary intervention for cancer, schizophrenia, asthma, and heart disease.

30 HOURS WORKSHOP ON ETHICAL HACKING 2019

REGISTER NOW

<https://forms.gle/nWFHswqLgMCntUQGA>

WHY?

Ethical hacking involves an authorized attempt to gain unauthorized access to a computer system, application, or data. Carrying out an ethical hack involves duplicating strategies and actions of malicious attackers. This practice helps to identify security vulnerabilities, which can then be resolved before a malicious attacker has the opportunity to exploit them.
