Circular

NPIU/ TEQIP-III/ Admissible activities/ Extension/ 2021

Dated: 13th May 2021

Dear Madam/ Sir

This has reference to NPIU email dated 9th April 2021 informing you about the extension of TEQIP-III till **30th September, 2021**. It was further informed that the institutes shall not commit any liability for current F.Y. on TEQIP-III except appointment of Internal and statutory Auditor for auditing accounts of F.Y. 2020-21 till a detailed component-wise expenditure plan is approved by MoE. Actual implementation of activities was kept on hold till NPIU shares the implementation plan with the Institutes.

Now the MoE has approved the activity plan indicating where and how much funds are to be spent and which activities will continue and which will terminate. In view of the current epidemic when the colleges are closed and also low budget provision for 2021-22, the activities are restricted to a minimum. The details of activities to be continued, mechanism for implementation and expenditure plan in extended period indicating admissible expenditure is as given below:

1. **Continuation of Project (TEQIP) Faculty:** It is decided to continue project faculty till Sept 2021 and to pay the monthly remuneration based on the attendance records (as per no. of working days, leave granted, leave without pay). A separate circular in this regard is already issued to concerned focus state institutions. NPIU will verify the monthly bills received from SPIU and allocate the necessary funds under sub-component **1.1.4.1**.

2. **TEQIP Cell Staff & Salary:** In view of significant reduction in the institute level activities under the project due to the ongoing pandemic and the restriction on budget, it is decided to allow retention of the existing manpower in the TEQIP Cell for only two months (April & May 2021). From the month of June 2021 onwards institute shall appoint/ continue with only one multitasking person essentially account background. The maximum remuneration of one manpower shall be restricted to Rs. 25000/ p.m. For TEQIP cell salary allocation, the information submitted by 139 institutes/ ATUs in reply to NPIU email dated 25th March 2021 along with pending salary of March 2021 shall be used by NPIU for allocation under sub-component **1.1.3.7, 1.2.3.7 & 1.3.3.7** as the case may be.

- From June onwards, actual salary of account assistant as per the information provided by institutes restricted to Rs 25000/- will be allocated to the respective institutions from whom information is received.
- In case there is no account assistant appointed in any of the 139 institute, the salary of office assistant will be allocated with the restriction of Rs 25000/-

3. **Institute operating cost:** Due to restricted activities and current pandemic and when hardly any in-person meeting is expected, the institutes are informed to use institutional resources (stationary, internet etc.). No allocation will be made under the head of Office expenses. In case of any expenditure, the institutions are advised to use the sustainability funds (four funds) established by the institute as a part of project mandate.

4. **Research Assistantships:** MoE has decided to pay RA to all PhD students during the extended period who are enrolled in MIS as on 26th April 2021 under sub-component **1.1.2.2, 1.2.2.2 & 1.3.2.2** as the case may be. The RA shall be provided to already enrolled full time PhD scholars not receiving funds from any other sources. However, the approval is conditional as the institutions have to submit undertaking that the RA of recommended scholars shall be continued for next six months (Oct. 21 to March 22) through institute funds or self-financed by respective scholar, after the project closure (30th September 2021) so as to ensure the sustainability plan of RA post TEQIP-III. Necessary circular in this regard is already issued to 48 institutions who have registered their PhD students in MIS.

5. **Audit fees:** The audit fees (Internal Audit and Statutory Audit) of 1.3 institutions shall be paid as per the appointment orders the institutions have shared with NPIU. However, the same shall be allocated in PFMS after receipt of audit reports under sub-component **1.3.2.7**.

6. **Future Skill training of students:** After completion of Faculty Training on Future Skills in IITs on AI, ML, 3D Printing and IoT in 4 batches for 10 days, completion of Training of 10000 students by these trained teachers in 200 batches will be planned by the respective teachers in their institutes before closure of the project. This training will be provided preferably to students from non-Computer/ IT disciplines. The allocation for remedial coaching remuneration shall be made at actual basis in the account of only respective institutions whose faculty will be taking up the training under sub-component **1.1.2.1 & 1.3.2.1**.

7. **Collaborative Research Scheme:** The institutes concerned and respective PIs are informed to utilize already released grants and complete the project before 30th June 2021. The remaining 3 months' period of extension (July-Sept 2021) shall be used for settlement of accounts and submission of project completion report. The institutes may please note that the PIs would not be available after their tenure ends by 30th September 2021. Hence, regular monitoring for utilization of remaining funds and completion of projects be done at institute level. no additional funds will be released.

8. **Pending liabilities committed during March 30-31, 2021:** MoE has prioritized the payments for pending liability in the order of Faculty Salary, TEQIP Cell Staff Salary, Research Assistantship, honorarium, Procurement on case to case basis. Though SPIUs have done verification of pending payments, MoE has instructed NPIU mentor consultants to verify each of the payments claimed pending by the institutions to ensure that the same was pending due to funds unavailability in PFMS during March 30-31, 2021. Each procurement bill will be scrutinized in reference to the adoption of procurement guidelines, PMSS entry, purchase order date, invoice date, installation date, stock entry date, bill passing date with all signatures etc. The procurement of software and digital books shall be verified in view of the guidelines of IFD. In view of paucity of funds, the committed liability of other bills may be borne by the institutes. In case of any further clarification needed, the consultant concerned may approach the institution for further clarification.

In case of any doubts or further clarification needed in this regard, the institutions/ ATUs are requested to approach their mentor consultants from NPIU. The list of mentor consultants (with minor revision) is attached herewith as **Annex-1**.

Dear Sir,

You are requested to kindly issue an office order for the extension of our TEQIP-III research assistants. A draft copy of the office order is attached herewith and you may update it.
Further, I have attached the documents which were sent earlier to NPIU related to extension of the research assistants.

This is for your kind information and oblige.

Sincerely yours,

Debasis Giri
