17 October 2016

To: Dr Hiranmoy Mondal

Dear Dr Mondal

**CLAUDE LEON FOUNDATION POSTDOCTORAL FELLOWSHIP 2017 - 2018**

I am delighted to inform you that you have been awarded a *Claude Leon Foundation* Postdoctoral Fellowship.

The Fellowship is for two years commencing in January 2017 and is for R275 000.00 per annum. The Fellowship will lapse if it is not taken up within 12 months of the award.

- The award cannot be held with any other salary or monetary award without the permission of the Trustees.
- Any applicant who has applied to both the Claude Leon Foundation and *National Research Foundation* must make a decision at the time of any Claude Leon Foundation award as to whether or not they will accept the Claude Leon Foundation award as we understand the *National Research Foundation* does not allow concurrent Postdoctoral Grants. A letter to this effect should accompany your acceptance letter.
- An awardee who has not completed his/her PhD at the time the Fellowship is offered must have at least submitted the PhD thesis by the end of December 2016. In those circumstances the Foundation will require written assurance from the applicant's PhD supervisor that the PhD thesis has been submitted and there is a reasonable expectation that the doctoral degree will be awarded.
- Payment of both the first and second year's funding will be made in two instalments dependent on the date on which you start. The start date is usually in January. The payment of the first instalment would then be made to the host institution in January, the second instalment in July. Your host institution will decide how your payments are managed – either monthly or twice a year. The payment is made by us to the host institution in the first week of the month however it can take the universities some time to transfer the funds into your account. You will be informed by e-mail once the Foundation has transferred the funds and you are requested to advise the Foundation once you have accessed the funds.
- The Fellowship is to be used to allow you to carry out, in South Africa, the research project as outlined in your application.

**TRUSTEES:**

William Frankel OBE (Chairman), Geoff Budlender, James Inglis,  
Horst Kleinschmidt, Rick Menell, Mary Metcalfe, William Nasson,  
Sipho Pityana, Stuart Saunders, Patricia Wallington, David Woods,  
Nan Yeld, Brian Yule

[www.leonfoundation.co.za](http://www.leonfoundation.co.za)

Registered in South Africa No.:

P436/63

**Principal Administrative and Secretarial Address:**

PO Box 15599  
Vlaeberg 8018 Cape  
South Africa

- Entirely at the discretion of the Foundation, one economy class return flight may be awarded to those coming from outside South Africa. After agreement by the Foundation, flights are to be arranged through our travel agent at **Club Corporate** in Cape Town, Somaya Abdurahman [somaya@corporate1.co.za](mailto:somaya@corporate1.co.za)

Should you be coming from outside South Africa, please consult the host institution where you will be based for information on the **type of visa** that will be required as Fellows are registered differently at different host institutions. Most Fellows come in on a *Visitor's Visa* but **you must ensure** that this is correct for your host institution. The host institution where you will be based will also issue you with a letter for the Embassy in your country. Please make contact with them as soon as possible. Your supervisor should be able to assist you with this.

- One international conference travel grant will be available up to a maximum of R45 000.00: this grant is for **presenting** at an international conference at some time during the **second year**. **Attachment A**.
- A satisfactory progress report by you and your supervisor, signed by the host institution's authorities, must be submitted to and approved by the Foundation before the commencement of the second year of Fellowship.
- It is a condition of the award that a comprehensive report on research funded by the Foundation be prepared by you and your supervisor and submitted within three months of the completion of your Fellowship.

Please will you let us have your formal **written acceptance** of this award sent to our South African email address: [postdocadmin@leonfoundation.co.za](mailto:postdocadmin@leonfoundation.co.za) by latest **Friday 2 December 2016**. **Failure to do so will result in a withdrawal of this offer.**

We also require that your supervisor confirms in writing that all the facilities and additional funds necessary for you to carry out your research are available.

Please remember to monitor the Foundation's website <http://www.leonfoundation.co.za/postdoctoral.htm> throughout your tenure as all changes to Fellowship conditions appear on the website.

It is vital that you familiarize yourself with the **Guidelines, Terms and Conditions** of the Foundation. These are to be found on: <http://www.leonfoundation.co.za/postdoctoral-guidelines.htm> **Please note that these Guidelines are updated from time to time. Attachment B**

By accepting the award of this Fellowship you agree to comply fully with the Foundation's terms and conditions attached.

Yours sincerely

**W H Frankel**  
**Chairman**

CLAUDE LEON FOUNDATIONPOSTDOCTORAL FELLOWSHIPS - CONFERENCE TRAVEL GRANTSCONDITIONS FOR RECEIPT OF THE GRANT

- Claude Leon Postdoctoral Fellows **who have completed ONE year** of the Fellowship are able to request **one international travel grant per Fellowship** to the **maximum R45 000.00**
- No conference participation will be funded **after the completion** of the Fellowship.
- The subject of the presentation **must** deal with the Claude Leon Foundation Fellowship project and not research done before the award of the Fellowship, unless it is the same project.

Visits to laboratories or for experimental work are considered running expenses and the responsibility of the supervisor, department or host institution and will not be considered for a travel grant.

The request for funds should cover travel, registration, hotel and conference fees. Some subsistence, if necessary, should be added to the budget. Subsistence **may be** granted at the SARS guideline maximum for the particular country that you are visiting. The office will do this calculation when we receive your budget. The payment will, if necessary, include one night's accommodation before and one night after the conference.

TO ACCESS THE GRANT THE FOUNDATION WILL REQUIRE THE FOLLOWING:

- **written acceptance** by the organisers of the paper/poster;
- a letter of motivation from the Fellow;
- a letter of motivation from the Fellow's supervisor;
- a copy of the poster/publication to be presented, if possible
- ***International*** conference/workshop information;
- conference website – showing costs;
- **a full budget on a separate page (a budget template will be supplied at the time of the request)** – conference registration fees, subsistence and travel. The exchange rate will be calculated by the CLF office if costs are in other than SA Rands. A quotation from our travel agent must be attached. **Please ensure that you request all the funds that you will require** as no additional payments will be made after the budget has had final approval from the Trustees.

TRAVEL ARRANGEMENTS:

If the travel grant is awarded, **the flights must be booked through the Foundation's travel agent**. This should be done by the Fellow themselves. Hotel bookings can be done with the agent as well.

CLUB CORPORATE TRAVEL

Somaya Abdurahman  
8th Floor Tarquin House  
79 Loop Street  
8000 CAPE TOWN

somaya@corporate1.co.za  
TEL 27 21 4874100  
FAX 27 21 4221892

If for some reason (e.g. group bookings by the department/host institution), the Fellow is not able to use the Foundation's travel agent, we will require a copy of the airline ticket and proof of payment. The Foundation prefers Fellows to use our travel agent.

The funds for subsistence, as well as conference fees and other items not paid directly to the travel agent by the Foundation, will be forwarded to the Fellow's host institution and will be paid to the Fellow by the host institution.

**Please remember that adequate time is required to process these applications.**

Should the turnaround time be too short to arrange payment through the universities, the Fellow will be requested to pay registration fees etc themselves and then submit a claim, with the relevant documentation, for refund by the Foundation.

#### **CONFERENCE REPORT:**

A brief report of no more than two pages should reach the Foundation within one month of the Fellow's return. The report should indicate the type of reception that was received by the paper/poster, highlights of the conference and any contacts made which could be helpful in the future.

Once all the documents have been received they should be sent to [postdocadmin@leonfoundation.co.za](mailto:postdocadmin@leonfoundation.co.za) for onward forwarding to the Trustees for approval.

## ATTACHMENT B

### POSTDOCTORAL FELLOWSHIP GUIDELINES

1. The Claude Leon Foundation ("the Foundation") is offering Postdoctoral Fellowships for research in the faculties of Science, Engineering and Medical Sciences to be conducted at universities and some institutes in South Africa. The Fellowship will be awarded for two years and will be worth R235 000 per annum in 2016 and R275 000 per annum in 2017.
2. **It is understood that, subject to formal application by the host university/institution to the South African Revenue Services, the Fellowship should be exempt from South African tax although the Foundation can give no guarantee. It is the responsibility of the recipient of the Fellowship to ensure that their tax liability (if any) has been assessed.**
3. The Fellowships are open to South African and foreign nationals.
4. Entirely within the discretion of the Foundation, one economy class return flight may be awarded to those coming from outside South Africa. The Foundation must be informed immediately of any supplementary travel grants and the conditions pertaining thereto which the Fellows may receive. The Foundation reserves the right to adjust or cancel its translocation allowance without prior notice.
5. Fellowships are awarded on a competitive basis, taking the applicants' academic achievements and potential as researchers into account. No discussion will be entered into after the award of the Fellowships.
6. Candidates should have received their PhDs within the last five years.
7. Preference will be given to candidates who are currently under-represented in South African Science, Engineering and Medical Sciences.
8. It is preferable, but not obligatory, that a candidate will undertake his/her postdoctoral research project in a department other than the one where his/her doctoral degree was obtained. Applicants who wish to remain in the same department where they completed their PhD should explain this choice. **An accompanying motivation from the prospective supervisor is also required.**
9. The Fellowship will lapse if it is not taken up within 12 months of the offer.
10. An applicant who has not completed his/her PhD at the time the Fellowship is offered (usually October) must have at least submitted the PhD thesis by the end of the calendar year in which the offer is made. In those circumstances the Foundation will require written assurance from the applicant's PhD supervisor that the PhD thesis has been submitted and there is a reasonable expectation that the doctoral degree will be awarded.
11. In the case where the award of a PhD is imminent and the thesis has been submitted and the Foundation has received written assurance from the PhD supervisor that the doctoral degree will be awarded, the Foundation may allow the postdoctoral studies to begin and some initial payment to be made in terms of the Fellowship but will need to be assured of the success of the PhD. On application half of the award may be given before the PhD has been awarded. This grant would be subject to the rules of the host

institution.

12. The Fellowship cannot be held concurrently with any supplementary funding without the prior written consent of the Foundation. This written consent should be requested **annually**. The Foundation does not give part grants and would need to be informed of any conditions that the other grantor has placed on its award. Where the grantee receives substantial supplementary funding from another source, it is recognized that both the Foundation and the other grantor may be regarded as co-funders. In those circumstances both the Foundation and the other grantor should be acknowledged as stipulated in paragraph 19 below, and on the basis that neither funder be regarded as the Principal funder.
13. The Fellowship must be undertaken in South Africa. If a Fellow wishes to conduct some research outside of South Africa the Trustees will consider allowing this up to a maximum of two months over a two year period and subject to written motivation by the Fellow and his/her Supervisor. The Foundation reserves the right to refuse such a request.
14. If a Fellow wishes to change his/her research project, supervisor or host institution for which the Fellowship was awarded, details must be submitted in writing to the Foundation's administrator for consideration and approval in writing by the Foundation prior to such a change.
15. Maternity Leave: On application, a maximum of four months paid maternity leave will be granted to Fellows. The completion date of the Fellowship will be extended by the number of months maternity leave taken. This extended period will also be funded. The agreement of the supervisor and a doctor's certificate will be required.
16. Fellows, after having completed their first year of Fellowship, may apply to the Trustees for one travel grant per Fellowship up to a maximum of R45,000 to attend (before completion of the Fellowship) an international conference for the purpose of presenting a paper or poster. The Foundation reserves the right to adjust or cancel its conference travel grant **without prior notice**. All other sources of conference funding should be disclosed.
17. As the primary purpose of the Fellowship is to enable the Fellow to undertake a significant piece of publishable research, teaching should average no more than three hours per teaching week in term time. The Foundation expects that the subject taught would relate to the main thrust of the Fellow's research interests and not simply to the department's needs.
18. To continue into the 2nd year of the Fellowship, Fellows should submit a written progress report at least two months before the start of the second year. This would normally be by the end of October. This should be endorsed by their supervisor and approved by the Foundation before commencement of the second year.
19. As a recipient of the Claude Leon Postdoctoral Fellowship, all Fellows are expected to acknowledge the support of the Foundation when interviewed, in publications and on any documents (abstracts included) for which the Foundation has given funding e.g. conference funding.
20. Should the successful candidate have also requested funding from the NRF, the Foundation will require a letter of withdrawal of the application for such funds before acceptance of a Fellowship grant offer from the Foundation as we understand the NRF

do not allow concurrent funding.

21. If a Fellow completes his/her research before the end of the period for which the Fellowship has been awarded, the award will be decreased on a pro rata basis depending on the month in which the Fellow completes the research. The Fellow should refund the university/host institution any money paid him/her covering a period after the Fellow has completed his/her Fellowship or his/her Fellowship has terminated. This should be refunded to the Foundation by the host institution within 30 days of completion or termination of the Fellowship. One calendar months' notice must be given should the Fellow wish to withdraw from the Fellowship. It is the responsibility of the **Fellow, Supervisor and the University** to advise the Foundation of any withdrawal.
22. Fellows must submit, **no later than three months** after the end of tenure or on withdrawal from the Fellowship, a comprehensive report on the research funded by the Foundation; this should include a report from the supervisor.
23. Applications will be considered at one closing date (usually the 31st May) to be announced each year.
24. The Selection Committee will comprise senior academics and will include representatives of the Royal Society of South Africa and will make recommendations to the Trustees of the Foundation who will make the final decision. The Fellowships will normally be taken up in January each year.
25. Completed Postdoctoral Application Forms must be submitted to the host institution at which the applicant hopes to undertake the Fellowship. Sections J, K, L and M of the application form must be dealt with by the university/host institution of choice. These universities/host institutions will ensure that applications forms are signed by the appropriate host institution authorities, and that all **copy** documents are attached.

These forms should be scanned and emailed to [postdocadmin@leonfoundation.co.za](mailto:postdocadmin@leonfoundation.co.za).  
**PLEASE NOTE THAT WHEN APPLYING FOR A FELLOWSHIP, INCOMPLETE AND UNSIGNED FORMS WILL NOT BE ACCEPTED.**

*Sub: An appeal for the establishment of an Endowment Fund under the University in the name of my deceased wife, Sati Paira for the award of a Gold plated Silver Medal to the best graduate in Engineering / Technology of the University annually in the convocation of the University.*

Honoured Sir,

I have a desire to constitute an Endowment Fund under the University in memory of my wife, late Sati Paira to be awarded annually to the best graduate of the University in Engineering/ Technology during the convocation of the University in the form of a Gold plated Silver Medal.

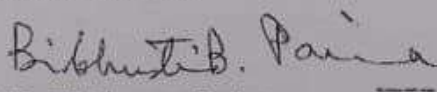

This is because of my indebtedness to her and her encouragement in taking up assignments of establishing the Haldia Institute of Technology (the first such college under private initiative), the B. P. Podder Institute of Management and Technology and the Heritage Institute of Technology.

Since my means are limited, I propose to provide a sum of Rs. One Lac for the purpose of the Endowment and request you to spend seventy percent of the interest accrued on the principal for the award and the rest thirty percent may be added to the corpus to take care of inflation, though, this is a suggestion and the University may make its own decision.

I fervently request you and through you to the Members of the Executive Council to consider my appeal favourably.

Thanking you,

Yours sincerely,

  
Bibhuti Bhusan Paira

To,  
Prof. Bibhuti Bhusan Paira,  
Ex-Prof. Dept. of Chemical Engineering,  
University of Calcutta.

**Sub:** Your proposal for establishment of an Endowment Fund under the University in the name of your deceased wife, Sati Paira for the award of a Gold Plated Silver Medal to the best graduate in Engineering/ Technology of the University.

Dear Sir,

I am glad to inform you that the Executive Council of this University at its 36<sup>th</sup> meeting held on 14<sup>th</sup> June, 2018 has accepted your proposal for establishment of an Endowment Fund under the University in the name of your deceased wife, Sati Paira for the award of a Gold Plated Silver Medal to the best graduate in Engineering/ Technology of the University. As per your desire, the first such award to be given to the best graduate of the 2018-18 academic session is to be handed over in the 10<sup>th</sup> Annual Convocation of the University on 2<sup>nd</sup> November, 2018. It would be highly appreciated if the token money to commence the award may be issued by cheque drawn in favour of "MAKAUT, WB". The endowment amount may also be issued by cheque drawn in favour of "MAKAUT, WB".

Thanking you,

With regards,

Dr. Indranil Mukherjee  
Registrar (Acting)

Re: Setting up of a Scholarship and Media Research lab in memory of my late mother Smt.  
Laxmi Chopra

Dear Sir,

Please refer to our discussion today. A sum of Rs. 25 lacs is sent to you by a Cheque No.  
766342 drawn on Indian Bank, Branch : Sarat Bose Road, IFC Code : IDIB000S040 is  
enclosed.

I shall further pay a sum of Rs. 25 lacs on 1<sup>st</sup> April, 2022. So a total amount of Rs. 50 lacs will  
be contributed to start this initiative for the sake of research on emerging areas in the field of  
Media.

I shall either arrange or contribute further if required for successful building of this facility at  
your esteemed University.

Please let me know when officially this can be conveniently announced to the press.

Thanking you,

Yours Sincerely,

  
Pradip Kumar Chopra  
Chairman
